“ When I awoke this morning I thought I would call Gloria and talk to her about some of life's concerns and it hit me with a jolt I can no longer do that. Milt, Rene, Nan, Glenda, my heart is so heavy and I just cannot begin to tell you my sorrow for your loss, and mine as well. Gloria was more than a friend. She was like a sister. Every day I will miss her so much and my prayers will be with you all to help you in the healing process that now begins. I'm sure my best friend is saving a place beside her just for me so we can continue our conversations. I love you all. Jan##imported-begin##Janice Dziubinski##imported-end##

“ I want the family (most importantly, Milt) and friends of Gloria to know how much I cared for her and how sad I feel that I will no longer be able to talk to her or to see her when I come back to Bangor. She was a special friend of mine during the years we were growing up in Bangor. We did many fun and crazy things together and Milt was always there, too. Gloria will be a bright light in my memory bank for as long as I live. She was a darling girl and never lost that quality. What a big loss for all of us. God be with you, Milt! You are on my heart.

Uncle Milt, Nanette, Renee and Glenda - you are all in my prayers and I wish you all much strength of heart in this difficult time. Although I can not be there with you in person, I am there with you in spirit. Aunt Gloria always did and always will have a special place in my heart.

Much love to you all!
