“ Dan, we are all so sorry about the passing of both your parents. They were loved by everyone that knew them. Bruce is so glad that he was able to see both of them in July of this year when he came down for a surprise visit. It did them both good just to see him. They are at peace now, and know that they will always be with you.##imported-begin##Janet Ivens##imported-end##

“ Dan
I'm so sorry to hear about your parents passing. Your Mom was so good to me, she was wonderful person. I always joked I still missed your Mom and Bob's dog Hooter. You were so lucky to have such great parents. They will be missed by everyone.##imported-begin##Joyce Hackenberg##imported-end##

“ My deepest Sympathy to Glo's children and Roy and the rest of the family. The pain must be incredible, with Jim's passing so recently. I so enjoyed working with them, as well as Peg and Louie on some of their great trips. They were such fun together.
My prayer is that God will heal your broken hearts, and give you strength and peace daily.##imported-begin##Bette J. Jeschke##imported-end##
