“ *The best of neighbors. Because we both loved raising beef cattle, I had the opportunity to spend many hours with Harold. You had to truly know him to get his sense of humor. Yes! Harold did have one. He was not always business.*

As we all do, Harold wished he would have spent more time with the family instead of those darn trucks.

Often said his kids turned out so good, because Marge was the one who raised them.

My thoughts.

For a man that started his life and business with a ton truck with a dump box, a couple of shovels and a brand new beautiful wife; (yes him and Marge loaded it by hand 1 shovel at a time)

I would say you did dam good....Mr. Hosner!!

We will truly miss those visits, as you come rolling up the drive on you four wheeler and that ever so slight grin. A look as though you just got a way with something, or we're about too.

We will miss you Mr. Hosner.

“ To the family of Harold Hosner:
My father, William Willsea, worked for Harold for many years. Although I did not meet him until my fathers funeral, Harolds name was heard often around our home. Dad would relate many tales of working with him. Dad thought the world of him and I am sure that they are making up for lost time in Heaven. My sympathies to all of the family.
Blessings,

“ My condolences go out to the family. I remember helping your parents with ther Las Vegas trips. Your dad always made me laugh. He has now joined your mother and hopefully all the fond memories will help ease the pain of your loss.

“ Grandpa was so special to me & it's hard to believe he is gone. Miles seperated us but we never lost our special bond. I looked forward to our visits. And fussing over who would do the dishes. (He always ended up helping) :) I was blessed to have grandparents like him & grandma. They made such a difference in my life. Now they're both gone & it'll never be the same. They will always have a special place in my heart, be missed so much & never, ever forgotten. Love you always Grandpa & Grandma
Love, Faith (Your "Sweet Girl" as you called me)
