“ I always tried to embarrass Harold at social events by giving him a big Hugh and kiss. I will never forget his little grin. He never said much but Carol said he loved it. I will never forget my boyfriend 😊

“ I always enjoyed hearing the stories of his prospecting and seeing what he found. Tom liked riding around the farm with Harold on the four wheeler. He also wished he could find morrel mushrooms like Harold could. We will miss spending special occasions and holidays with him. Our deep sympathy to all the family.

I only got to meet Harold a few times, but he always had a smile and a friendly "Hello" for me. I remember that I loved the way he loved his dogs, when I met them all at his house one time. I'm praying for Jason, Kristen, Carol, his beautiful grandkids, and the rest of his family.

Harold never met a stranger. We loved the rides in the desert and going out to eat together. We remember when Harold brought Nugget (so aptly named) home from the desert. Nugget and Harold had many good times riding in the four-wheeler. Our deepest sympathy to Carol and the family.
