“ *So heaven has received another angel  
The night sky another star  
Your life has become a loving memory  
I know you will never be far.  
I know you are watching over me  
As my life goes on  
I will treasure the memories I have of you  
I cant believe your gone.  
You were a loving caring grandfather  
You were there for me a lot  
You will always hold a place in my heart  
A loving treasured spot.  
You were really one in a million  
One above the rest  
All that knew you would agree  
You simply were the best.  
So grandad I will say goodbye  
I love and miss you with all my heart  
But as long as I have my loving memories  
We will never be too far apart.*

“ *Dad,*

*I miss you so much it's crazy! You were the best father! The whole in my heart right now is so big I can't imagine it ever healing. Waking up knowing I can't see you or hear your voice, is so painful. I'm trying to fill the emptiness with all the good memories that I have, just one that always comes to mind is that I would always fall asleep whether it was on your harley or on the tractor. You teaching your grandchildren how to drive a stick I could go on and on!!*

*All that really needs to be said is I love you forever and ever and miss you like crazy!!*

*But I know you will now be my guardian angel.*

“ *Hunter family, Harry was a good easy going guy, he rode to work with me for a time and we always made the best of it going into that plant on second shift when it was 110 degrees inside i think we came up with the term hotter than hell. I would go and work the hay with him on the farm whenever i could and the pay was some cold beer after we were done, we had a lot of fun then! We lost a piece of Harry when the farm burned I don't think he ever got over that. Harry may you rest in peace! I'll tell you time does fly by, because all off that and more seems like yesterday.
