“ Hattie has been a friend of my family for many many years. She was a great friend to my grandmother (Lena Nelson). My best memory of Hattie is her house with the moving walls and her doll collection. She also had a "watch goose" named Mike. You could always find Hattie fishing at the dam in Breedsville with Ira. Hattie was the first person to give me a gift when my daughter was born 26 years ago.
I will always remember Hattie and miss her. May God bless her.

With all my Sympathy
