“ I am heartbroken at the passing of grandma. She was always such a spunky little lady. The one thing I remember most when visiting grandma, was her crocheting and knitting. She taught me how to crochet when I was only about 5years old. To this day, I crochet and love every minute of it. The first time I stayed away from home was with her and grandpa. What fond memories I have of going to grandma's house. RIP Grandma Storey...you have spent your lifetime earning your wings...I will always love and miss you!###imported-begin###Bobbi (Storey) Curtis, Elkins,WV###imported-end###
