“Helen I will miss you greatly. You were always a very loving sister to me, we shared many great times together. My children loved you alot just as you loved them. We will never forget you and you will always be in our prayers. Give mom my love and God bless you both. We will all be together again. I love you.

“Very saddened to hear of the loss of Helen. Helen was a life saver, she found my Grandma when she was wandering outside in the winter and helped her back to her apartment and called me to let me know she was OK as well as keeping her eyes on her for her time at the apartment. God bless the family and comfort you.
