“ I just heard about Hollis passing , I feel so sad I was not able to come pay my respects. I remember when I was little girl he was our gas man and my mom and dad loved him and got to meet his wife and kids and we just always enjoyed to see and laugh with them. But my big laugh was from there monkey and how he thought it was so funny that his monkey didn't play nice with his wife. I would tell him that's bad. Because he had the best wife ever. He did that half grin on face and tell me , I can't make my monkey do nothing he don't wanna do..... lol
