“ *Dear Kim and Family,
Although I did not know your father very well, I do know you.
Because I know you, I am thinking that he was very good, hard-
working, compassionate person. Just know that he will forever be a
part of your heart, mind and soul. Even though you don't feel God's
strength at this moment, God's strength will carry you through this
very tough time. God has carried you so far thus far and because of
God's love and your ability to believe in such a higher, majestic
power, you will come to the day when you can look back on loving
moments that you shared with your father and either laugh yourself
silly or get a lump so large in your throat that you surcome to tears.
Just know that you can call on me or my family. I consider us to
share in a sense of family. Kim, you have raised your family so well.
You have been there for your parents..... You have done all that a
parent could ask of their child and then some. You are amazing!!!
Take a deep breath and know have much you are loved and
admired.*

Sincerely,

*Vince, Roxann, Vincenzo, Nick and Jen Romano##imported-
