“ To Bud's Family ~  
We are sad to lose such a good friend to all here on Saddle Lake Island. He has helped so many of us over the years & conversations with him were always interesting. He knew a lot about nature & enjoyed all that Mother Nature had to offer - most of it in his own yard by the water, where he sat for so many hours on his park bench pondering the beauty of it all. He will be missed by all who knew him, including all the wildlife. Our Lord has given him a new & healthy body & he is in his glory! God Bless the Boone family. We'll see you later, Bud...##imported-begin##Judy & Tom Jung##imported-end##
