“ Pat and Family.

*I always enjoyed talking with Jack at Covey Hill's Food Pantry night. Jack and I (Dustin) had so much in common we both love our families and enjoyed Deer Hunting and we both where chemical operators (not at the same company)*

*During the Food Pantry night Jack and I spent lots of time talking about the Big Buck's that got away from us both over the years, about our gardens, cutting and splitting wood that the storms knocked down in Jack's woods and where I was cutting wood and we both putting the split wood up to dry for the long winter that were coming.*

*We loved to talk about our sweet Children and our loving Grandchildren and about our beautiful helpful patient Wives that put up with us both and we could not understand why they did but we loved them for taking care of us and very thankful for them.*

*We never seemed to have enough time to talk bcuz be for we knew it it was time to close up Covey's Food Pantry for that week and off we went back home.*

*Jack and I helped each other as we talked I feel bcuz we both had health issues from our former employer's and we both we're going through so much pain.*

*I'm so thankful I had the chance to know Jack and I know Jack is now in Jesus Christ Arm's and in no more pain. Thank you Pat for sharing Jack with us.*

*Tamie and I send our love and prayers to you Pat and your family. I pray that God will bless you Pat with comfort peace and with God strength each day.*

*With much love

“ Jack was a great brother-in-law. Loved to hear his stories and thoughts. He loved his family and especially his grandchildren. Mercal, as Jack called Mercii, loved to eat bacon together. We will all miss him.
