“ Jim, you were my “other dad” during high school and beyond! What great times we had. I will never forget how you put up with all of our shenanigans and the fact that I was at your house so much! Through out my life when we got to see each other my heart rejoiced! Thank you for being so loving and kind! We see each other again! Love, Leilani

“ I am truly saddened that you are no longer with us, and I am so thankful for the precious times we spent together over the past few years.

*Our homes were always filled with love and laughter when our families were together, and so many of my most cherished memories were spent with you. Some of my favorite memories include the unforgettable summer adventures at the cabin, “hood rides” at the farm, a special evening spent watching the Northern Lights, family softball games, 4th of July fireworks, loads of happy celebrations, our families singing so sweetly together, and so much more.*

*When I was 8, you taught me the “right way” to eat fried eggs so that I would finally like them, and I still eat them like that to this day. And a heartwarming favorite — the memory of you and my dad just being the best of buddies.*

*I love you, my dear uncle. You are a part of so many of the best times in my life, and I will miss you deeply.*

“ I am so lucky to be your daughter. You showed me that I will never regret doing the right thing. You wiped away many, many tears and snuggled with me countless times to comfort me. I have so many happy memories. The red polka dot rain coat and boots you bought me when I was 6. Teaching me how to ride a bike. Building my brothers and I a skating rink in the front yard of the farm. The summer cabins and fishing. Traveling all over Arizona. How you would read every single line on the plaques at the museums we visited. Making you black and white Russians. I will miss "Bad Dad" when you'd secretly fed the dogs under the table.

*I will miss your grace, your steadfast devotion to our Lord, how you loved me, your grandchildren and great grandchildren.*

*Your love is never ending. You never let me down. You are and will always be my first love. I love you Dad.*

*The greatest gift I ever had cam from God, and I call him Dad. - Anonymous*

“ I worked with Jim at Parker and we shared several fish stories over the years. He is by far one of the kindest and most gentle human beings I ever met. He will be missed here by all; but very certain to see him again one day and continue to share ole' fish tales. May your souls be filled with calm, peace and comfort from the Holy Spirit. My deepest sympathy - Christi Payne

“ *My dear brother Jim, we have been as close as brothers can be. We were always helping each other and doing things together as kids in Missouri. We hunted, fished, milked 5 cows, gleaned corn fields and went early to our one room school house to build the fire in the stove.*

*As adults we just kept doing things together. My most wonderful moment with you was when we were talking about Christ Jesus and your deciding to surrender your life to Him.*

*I'll see you soon and we will be able to start our togetherness all over again in the Glory of the Lord.*

*I love you Jim, Ron*

*My Dearly Beloved Jim,*

*I had the BEST HUSBAND a Woman could ever want. God Blessed US with Each Other. AMEN . I will forever miss you. I will always Love you and keep you, " My Darling Jim you are in My Heart Forever" 🍷👏*

*I remember the night you proposed to me in the paddle boat under the stars on Stewart Lake. It was Beautiful. You were silent at the time you were Praying to God. You were asking God to send you a message. Just then there was a falling Star. You then prayed and ask God was that your sign Lord? Another Star fell.*

*Jim later told me, that in his silence in the paddle boat, He was in Prayer, asking God if I was the right person for Him. And that God sent two signs, the falling stars. 🍷⭐⭐*

*Your Loving Wife,  
Marjorie Fluty*
