

James Fowler

September 19, 1968 - May 14, 2026

James “Jim” Fowler was born in Flint, Michigan on September 19, 1968, the only son of Jerry and Marilyn Fowler.

He passed away peacefully at Bronson Methodist Hospital on May 14th surrounded by family after a long fought battle.

Jim spent his life serving many communities by practicing as a Physician’s Assistant; working in surgical practices, Urgent Cares, the Van Buren County Jail, and different hospital groups touching more lives than we will ever fully know.

On December 21st, 2024, Jim married the love of his life, Jeniffer Sunga. They enjoyed playing and singing music together and resided in Bangor throughout their marriage with their two dogs Pepper and Maranda. Jim loved dogs and was a big supporter of the AI-Van Humane Society over the years. He also had a passion for hiking, traveling the world, playing the guitar, singing, riding roller coasters and hockey. He was an all around fun loving guy!

But his pride and joy was his son, Carter. He enjoyed cheering him on at all of his school activities and never missed a chance to do so. They loved going on

new adventures together (like to Area 51 in New Mexico), attending concerts, traveling the country, taking yearly trips to Cedar Point, and competing against each other on video games. Jim took great pride in watching Carter grow and succeed, and was never more proud than when Carter's college graduation from the University of Michigan neared!

Jim leaves behind to cherish his memory his wife, Jeniffer Fowler; a son, Carter Fowler; and two sisters, Jennifer Hart and Jill Fowler. He also leaves behind nieces and nephews; Mickey, Julianna, Abbie, Amber and Andrew. He was preceded in death by his parents.

In lieu of flowers the family asks that donations be made to the Al-Van Humane Society, a charity close to Jim's heart.

A Celebration of Life Service will be held 3:00 PM Sunday, July 26, 2026 at the Van Buren County Sportsmen's Club; 54030 CR 687; Hartford, MI.
