“ I'am a girl who loves my grandpa very much. I wonder if my grandpa is playingwith jimmy up in heaven. I hear my grandpa saying " i love you". i see my grandpa sitting in his chair. I want to see my grandpa.I'am a girl who loves my grandpa very much.

*I pretend to dance with my grandpa. i feel my grandpa's warmth. I touch his hand. I worry that i will never move on. I cry because of his death. I'am a girl who loves my grandpa.*

*I understand that he loves me. I say i WILL see him again. I dream that i will see him sitting by my bed side. I try not to think he died but he's on vacation. I hope that he miss'ess me as much as i miss him.*

“ to my precious husband.....it has been 45 years that we have been together. 45 years ago in March that you asked to marry me, what a great life you have given me. You know it was far to short for me for you!!!! How I miss you, and how I wish we had more time. I know that you are with our little boy, and that you are okay. You are in God's hands now, and that is the best that is the final goal. But the human side says I wish you were here, I miss you I Love you, your wife Dale###imported-begin##Dale Ray###imported-end##

“ I am going to miss my Jim hugs....he gave such great hugs! He always had such a great attitude about life and shared it with everyone he knew. His favorite thing to do when he came to our office every week was to tease all the office staff....of course we dished it right back which was what he looked forward to. Jim left us all with so many wonderful memories and they are all attached to images of his great smile. When I think of Jim it makes me smile even though my eyes are filled with tears right now. My heart goes out to all of the Ray family. May the memories you have of your husband, dad and grandpa help bring you comfort at this time. I am sure he's in heaven fishing to his heart's delight!###imported-begin###Robin Hagen###imported-end##

“ May I extend sincere condolences to Jim's entire family. I knew Jim when I worked at Farm Bureau in St. Joseph. He was one of the first company employees I met other than my Agency Manager, Joe Solitro and the agents in my sales & service office. What a wonderful man and business man. He was loved by everyone he worked with and taught me so much. He even stopped by my office a couple of times when I transferred to FB home office in Lansing to work for Joe Solitro. Great memories of a great guy.##imported-begin##Tric Commons##imported-end##
