“ Karen, Melissa, Seth and Monica: Linda and I are so sorry for your loss and, though we have not seen either of you since 1999, we have many fond memories of our times together. Jim and I go back about fifty-five years to when I first met him and his parents while they were camping at Bellevue Park (when it was still allowed) here in the Sault. They would return for several summers and we spent some mischievous times together. We hope to see you sometime this summer or fall as part of one of our trips to Wisconsin to visit Heather. Jim will be dearly missed. We love you guys.
