“ *We always had great summers together when we were kids. I find myself thinking about those times a little more now. Even though as adults the miles between us kept us from seeing very much of each other I will miss you dearly. RIP my cousin and may God bless you.*

“ *Aunt Janet was one of the happiest people you could ever meet. She always had a smile and always asked how my boys were doing. Her and i use to chat a couple times a week and we would talk about everything but still talk about nothing. That day i lost my Aunt but at the same time the Lord recieved an angel.....*

“ Janet was a very nice person. My greatest thought about her is how she was always smiling. For awhile the Bradys were my neighbor and each one of them holds special memories for me. I can't think about any of them without getting a smile. What better legacy is there? Rest in peace, Janet, and thoughts and prayers to the family.
