“ We both grew up in Jasper and have many fond memories of making the best of what we had to play with. Our requirements were few and we had many giggles over what we wanted down the road, getting out of Jasper was the 1st requirement, and the rest of what was left turned out to be the best. Save me a spot, I'm not far behind you. Hugs, Babe

“ My condolences to all the family. Always enjoyed Janet at work at the hospital and seeing her walking along the roadside with her walking stick. I've missed that the past few years. Was just today thinking I needed to find out what nursing home she was at so I could try and visit her. Missed that chance. May God comfort your hearts in the days ahead. Katherine Douglas

“ *I remember her and aunt Terry teaching me and Holly how to ride a bike how she would get so mad for us getting into he blueberry patch on the side of house she would try and teach us how to plant and to this day I wish I had listened instead of played around .. she taught us so much swimming vacations fishing .. she always had a video camera or camera. She said we were making memories and we did .. I'm so sorry grandma I wasn't there I love you always*

“ *Never forget how she embraced my children as her own grandchildren and how she honored me by being my maid of honor when I married her step-son. Always ready to lend an ear, rarely giving unwanted advice. Heaven got a true angel. May she rest in peace!*

“ *My favorite memories of Aunt Janet were teasing her about being the family documentarian because of all the pictures she was always taking....and becoming exactly the same way! She will be greatly missed but is now with Del and her best friend & sister - my mom Liz - who she had sorely missed for years. Rest easy Aunt Janet.*
