“ Dear Family, Jerry, Bill, Uncle John, John Jr., Jeff, Steve, & Rob, I want you to know that Jason and I are Praying for all of you. We can never feel the way each and everyone of you feel now or will feel in time to come. Yet we have lossed loved ones in our lives all of share loved ones that have gone before us. Our hearts and thoughts will be with all of you as you go through this very difficult time.

I know you all Loved Janet dearly and will deeply deeply miss her. Please let Janet's Smile and Laughter and Sense of humor be some of the great things to be able to look back on. Not to mention her out hunting the guys in the family~ LOL!We know Janet was a very loving, kind woman whom all will miss and yet carry very wonderful memories of too.

God Bless All of You! With much Love, Dawn (David & Ruth Nufers daughter & Janet's Cousin)& Jason Scott###imported-begin###Dawn Scott (Nufer)###imported-end##

“ Steve,

*The relation of threads, which a sister establishes with a brother
As brother and sister are two threads, with one heart
if one is hurt, the other feels the pain.*

*The pain which is felt deeply as feelings bond the two
through this relation of love*

Between a brother and a sister.

*As the heart is the bonding factor of life,
within feelings the heart is the strongest of threads. brother & sister
always together*

*My prayers are with you and your family.##imported-begin##Scheryl

“ Steve,

*Perhaps they are not the stars,
but rather openings in Heaven
where the love of our lost ones
pours through and shines down upon us
to let us know that are happy.*

Good Bless,##imported-begin##Pamela Smith##imported-end##

“ *I love you Aunt Janet and I appreciate everything you've done for me throughout my life. You loved unconditionally and that love never stopped or got weak. I'm so glad you got to meet my son before it was time to go and I can't wait until he's old enough for me to be able to tell him stories about you. I will never forget you and the love you brought into my life.##imported-begin##Brett##imported-end##*
