“ *No matter what they say about you , your "demons' were not your own. It is not our place on this earth to judge, God will do that in his own time.*

Rest little one, for your time on this earth is done. Let the seeds of love that you've planted blossom forever in Michael and those that loved you. Each day carries us closer to meeting with you again.

Never goodbye, just so long for now##imported-begin##Your Dear Friend##imported-end##

“ Janice-

I will never forget all of our goofy times working together at MPI. Freddie Bauer catalog, chips and dip, getting in trouble at meetings and numerous other silly occasions. You could laugh better than anyone I know. You also brought a smile to someones face even on their worst day. My first day at MPI you talked to me like I was your best friend. You just had a way about making a person feel special. Our countless hours of talking about what made our hearts tick. I miss those days and I wish I could pick up the phone and call you, mostly to tell you that you were surrounded by people that deeply cared about you and wanted to help make your hurt go away. Your endless love for Michael was so evident to all that knew you. He will be taken care of, I promise. Bless your soul as you now can lay quietly not feeling any of the pain that you have of late. No more worrying about what you will face the next day. I am deeply saddened today that you are no longer present, but I'm also smiling knowing that your spirit will be lingering in many peoples lives, and trust me, thats a good thing. As I attempt to say good-bye, I will only ask that you will save me a seat next to you, so when I join you someday, we can catch up on old times and laugh like we used to. I miss you so much already. Bet you thought you'd never make me cry! Well, you did. Tears of joy. Love you.

My Friend, my sister...
How could I have known that my time with you would be cut short. I
love you so very much and from now until eternity I will miss you. I

“ *We cried on eachother's shoulders a lot. Where you are there is no
more crying. I will always have many happy memories of our MPI
days together. I know you would be happy to know I am working
again, however, I am unable to attend your service on Friday. Peace
to you friend, and your family.##imported-begin##Monica
