“ I am so sorry that I didn't hear about this! So sorry. Caz and Jean were like bonus grandparents to us and I am forever grateful for the love they showed to us. I cherish every moment that we spent together especially practicing for our musical 'performances' at Townline. I will visit them regularly at Evergreen. I Love You Jean

“ This special lady was so dearly loved by her family and will be remembered each day with fond memories. Her girls Susan and Sally surely have all of the best traits from their Mom - ambition, talent, and generosity. What a legacy she leaves behind. My sympathies to all of you.

Oh what a special lady Jean was. I cherished each of our visits and consider them all blessings to last me a lifetime. May God continue to bless her family as He did while she was alive. She sure knew the Bible and the Lord which she shared every time we met. I already miss her beyond belief.

I spent two summers in Aunt Jean's cherry orchard with my cousin Jim when We were in junior high school. I We learned many lessons of life during those times tending the trees and picking cherries. Many fond memories have stayed with me to this day.
