“ I have wonderful memories of Jean! I loved the pickles she made. She made her "sippings" and let me try a little taste when my mom wasn't looking. I remember her laughing when I asked if that "naked lady" picture in the bathroom was Halson. I was very young then, but still remember everything like it was yesterday. Even though, I didn't keep in touch like I should have, I thought of her often.

*Our thoughts and prayers are with the entire family at this difficult time.*
