“ I am sorry to hear of Jeff Dean passing away.He and I were good friends in High School. We had Drivers Ed together with Mr. Radke in (1972) Jeff was lucky his parents would let him use the car when we first got our license to go to school we were cool.I remember his brother Lee collected all the newspapers. Jeff's parents were very nice Jeff's house caught fire and I helped rebuild the upstairs area. Jeff and I had plans to meet in Las Vegas a couples years ago but missed each other I spoke with Jeff a year or so ago He was so proud of his family and talked about them with love in his voice it was a very good conversation. I left Bloomingdale in 1981 and now live in California near Bakersfield. Can someone tell the cause of Jeff's death , seems very sudden ,I m sorry to bring it up . I just wanted to say hello and add my condolences.

That means I will continue to remember you and think of you at the beginning of the races. I thank you for taking the time to take me fishing, shooting guns and having a cold one ready. “ We are so sorry to hear about the passing of Jeff. Our thoughts, prayers, and deepest sympathy go out to his family and friends. Dizzy and I considered each other as friends. One of the things I admired about him was his quick wit, and sense of humor. He had a knack for throwing in the perfect pun at just the right time. I will miss that. Once again, Carol and I want to send our best wishes to everyone who loved him. He was a good man who left us too soon, and will be sorely missed. Rest in Peace Diz.##imported-begin##Marty & Carol Koviak##imported-end##
