“ *What I think of when I think of Jennie: She was such a sweet soul. She had a huge heart for service and loved helping with all the Childrens programs at Bangor Church of Christ. I am blessed to have been her friend.*

*She loved to give hugs and sing and clap to Christian Music. The youth Group at BCC was blessed to have her there helping with lessons and activities week after week. Life will not be the same without the love and caring of Miss Jennie. She always thought of others and how to help others. I will miss my friend who loved purple and was excited to see me. I will miss hearing her favorite saying "Cheese and Crackers". The loss is so great and brings many tears but I know she is in Heaven singing and dancing. Missing you with all my heart.... I love you , Jennie.*

*Love, Miss Janice.*

“ I remember talking with her and telling jokes with her. She used to call me trouble, I be laughing and we joke with each other back. I know she was playing with me. She was always nice to everyone and I was glad to call her my friend. When I had days that I felt sad, she finds ways to make me laugh just to cheer me up. She's one true all the way kind Christian I've ever met and I've enjoyed hanging out with her. Rest easy Jennie S. Repotski. You're one of the good angels now and continue to watch over your family and friends who loves you very much. You'll be missed. Much respect and love for you girl. My condolences are to your family. 🕊️ 🕊️

I was so sorry to hear of Jennie's passing. She was always smiling and never failed to say hello whenever we would see each other in town or at the Christian Service luncheons at Sacred Heart. Jennie loved to come to St. Vincent and buy pretty dolls. She named each one! She was so excited when talking about her work at the new store, Saving Timbers. She will be missed by many. My deepest sympathy to her family.

“ *First of all I'm Mike Mattson. I met Jennie Repotski at VFC church. VFC used to be on Romance rd (in Portage). We had a coffee house on other side of parking lot. I used to hang out there. Then one day, I met this gorgeous woman. Couldn't believe it. We ended up dating for like 12 years. When Jen and I broke up I found out she moved to Bangor. I have been planning on going to see Jennie. Now I'm broken. Jennie will always be a special part of my life. Jennie is now living with our lord and savior free from her PKU and everything else. I will miss you Jennie Repotski. You took a piece of my heart with you. and wish I could have sooner.*
