“ We read of this tragic accident in the Sunday Toledo Blade. Sending condolences to your family at this most difficult time. We lost our son in October who was exactly 5 years older than yours. Praying you will have friends and family to surround you with love, prayers and helping hands as you walk this road of grief. Keep his memory alive for his son.

Zemmie not only were you excluded what about his aunts and cousins in the black side. How can they recognize Z and Zac but exclude you their mother and Jez sister and Ronnie his older brother who have a daughter Aysia. His family tree is long and strong and did not just emerge 30 years ago. If you don't know ask somebody

“ *I'll never forget the way your put that light back into my daughter's soul. I know the light will be dim for a while as she misses you and grieves but as she remembers the time she was blessed to be able to have with you, you will shine through that smile and heart of hers. You'll always be in my heart Jezz, your a hero forever and always for helping her survive that night. I pray for peace ,comfort and understanding for your family and friends in this time of need. I wish I could hug you , until we meet again.*

“ *Jez was a friend of my son Tod. Tod passed away when he was 18. Jez also lived in our old house. To his parents there are no words I can give you to make it better right now. All I can say is eventually it does ease. Cherish the memories and you will always have them. And he will live on through his son. RIP Jez*
