“ John was the best father, husband, and provider, a girl could ask for. I feel so grateful. We built a home, and raised 2 awesome sons. He worked his butt off so I could stay home with the boys. We had a good life together. Life is short, and throws a lot of curves. I have lots of memories. Going up north camping and riding the trails. John liked to deer hunt. We hunted together. In fact, we went deer hunting on our honeymoon. He was always cutting wood, mowing, or in the garden. I was blessed. He was my best friend. Love is forever, God is in control.
