“ Judy and Myrna and families. I am so sorry to hear about John. I remember growing up with the Fry family and the farm. John was a wonderful man and loved his family. I remember how concerned he was about his father Ellie who was my neighbor on Cherry Court and like a second father to me. I pray your grief subsides and good memories will take place.

“ *Scott was best friends with Jeff, I've heard many stories of the two of them and all the shannigans they did. John and Judy were his 2nd parents. I got to know them better at the dental office I worked at they went to. As an adult Scott worked with John at Seeyles. So we've known them for years. John will live on in our memories which are many but we also are so happy that he is with Lord now and is perfect. We're praying for comfort and peace for the family during this period of extreme loss. We were blessed to have known John. You don't get much better than him. Love you Judy and Jon!*

*Judy. John is out of pain now. he is with the Lord. He will get you through this. I'm still trying to work it out. You'll have ups and downs but look what a close family you have. And many members you have. God bless you. Be strong.*
