

John R. McCoy Jr.

November 9, 1965 - November 14, 2022

John McCoy Jr., age 57, of Grand Junction, passed away peacefully at home on November 14, 2022, with his family by his side. He was the son of John Sr. and Bertha McCoy, born on November 9th, 1965, in Holland, MI. John was raised by his grandparents, Glen and Esther Maggard, in Carter, KY until the age of 6 when he moved back to Michigan to attend West Ottawa Schools. John McCoy, this half Michigan/half Kentucky man, was a fighter, a warrior and the smartest car and anything with a motor guy, we knew. At a young age, he was already driving and fixing tractors with his grandpa. He then started racing and building dirt bikes. He also loved rebuilding and racing cars. For years, John drove across the states driving semis. There was nothing with a motor that John couldn't fix or rebuild (even fixing electronics). John could talk for hours about the cars that he built and raced or about the experience of driving semis out west in Montana. John cherished the time spent with his daughter Nicole, whom he taught and spent time together playing pool, hunting and fishing.

John is survived by his wife, Stephanie, whom he married on June 18, 2020; children, Nicole McCoy of Grand Junction, Cody McCoy of Zeeland, Jessica (Aaron Zoerhoff) Wright of Holland, Scott Wright of Holland, Rusty Jackson of Allegan, and Quintin McKee of Zeeland; grandkids, Isabella, Jaxx-Lee, Amaryllis, Vivian, Aurora and Ryder; dad, John Sr.; siblings, Brenda (Leonard) Lambers, Barbara (Bob) Miller, and Jeremiah (Katie) McCoy; along with many

nieces, nephews and friends. He was preceded in death by his mom, Bertha McCoy, and his grandparents, Glen and Esther Maggard and George and Lucy McCoy.

According to his wishes, cremation has taken place. The family will have a Celebration of Life at a later date. Arrangements entrusted to the Bloomingdale Chapel, D.L. Miller Funeral home, www.dlmillerfuneralhome.com.

“ We met in 87'- 88' back when we were younger and we were always great friends, but I am so happy we reconnected in 2017 and I got the chance to be your wife in 2020. Because with you is where I was supposed to be. When ever I said to you I Love You, you always came back with "I Love You More" I wish love could have made you better and stronger, because I know you would still be here with me. I Love you so much.

“Cousin John will always hold a special place in our hearts! That man enjoyed all things with an engine. He was always smiling and willing to lend a hand, he was so kind hearted he would give you the shirt off his back! When we were teenagers he and I became the best of friends, he would visit my folks for weeks at a time and bonus he always was tinkering and riding dirt bikes, man we had loads of fun. He will always be young and full of life in my memories! Johnny boy, you took a piece of my heart with you and I will forever remember your silly charismatic laugh! Love you forever and always Cuz! Now you made a promise to me you better come through now, I will be looking and listening for you 💜

“ I could post a million things about you daddy. My world, my hero and now my biggest shooting star. There isn't enough life times that I could talk about you. I always talked people's ears off about you. I always hoped to make you proud. You're my biggest reason I tried so hard and worked so hard. I am definitely the person I am today because of you. I love you more then words could ever describe. Looking at my phone waiting for a text I know will never come hurts like hell. You're my entire world daddy. I love you so much and I'll forever show and tell memories of you and us to everyone that'll listen. - many hugs and kisses- I love you daddy.

“ John, my favorite memories are watching you live life....watching you laugh with your beautiful daughter and tease your wife (with love of course)—watch you turn wrenches and fix crap with Quintin and Dave standing by your side. You helped anyone who needed it —always setting aside your own needs or busy schedule. You were cut short in life but you left a HUGE footprint on our hearts....We will carry you with is Always!
