“*My fellow Viking friend, John. Thank you for the friendship and some of my life's joyous memories, which at times have been the needed spark through downhearted times and during fun-hearted reflection times with others. As individuals' life paths cross, we're unaware of how moments impact us, but know that the time our life paths crossed is truly treasured. May your family and friends find comfort & peace through continued times of memorable reflection together. JT Whitmore Jr.*”
