“ I just got on your website for my cousin Arliss Hellers service to leave a message and I came across Mr. Jack Weber's funeral announcement. Can I get a message to the family still? I would like to let them know I am Orma Prouty's granddaughter Mitzi Carr Moore and was sad to read of Jacks passing. I took Grandma to a few of the Weber functions and knew Nanette. The Webers are a friendly bunch and Gram really loved their family. Plus you all looked after Grandma too and I really appreciated that. I live in Custer, South Dakota so I did not know of Jacks passing but I will keep you all in my prayers.  
Sincerely,  
Mitzi (Carr) Moore  
P.S. I was Marge Truax Carrs daughter.

“ Joyce and family,  
My mom and I were saddened to hear of Jack's passing. Jack was my softball coach in the late 70's and I always enjoyed playing for him. He was the calming force of the team and a very good coach. Again, sorry to hear the sad news. Remember, your memories will keep him with you always.

“ Dad,

*You were my first hero, my protector. I always felt safe when I was near you. I thought you were the world's strongest and smartest man. You were so passionate, yet always remained humble. You were always willing and helpful to others. I remember always wanting to grow up to be just like you.*

*I wish we could have more time together. I wish things were different. I wish I could hear you say you loved me one more time; but most of all, I wish you could hear me tell you how much I loved you!*
