“ Hi my name is Sofia Johnson and just wanted to say my condolences to the family and to anyone that loved him. I'm a ex girlfriend and I truly cared about him back in the day. I was like 14 I believe and now 34 so it's been awhile. I couldn't believe this happened and I just wanted to write a little something. John always made me laugh and was so charming. I know he is being missed and i never know what to say when things like this happen but I'm truly sorry for the parents and family and his baby's.

“ John grew up with my sons. I have such fond memories of him playing basketball, football or just hanging out with my sons at my home. John had such a big and caring hear. When my son Michael left this earth John was on our doorstep right after school checking on our family. I believe he and Michael will be sharing stories. May GOD comfort your family during this difficult time.

John, I'll be missing you, as all of us will. We had so much fun and shared many laughs when I came to visit this past May. You had a way of wording things that always seemed to make everyone laugh. I'll miss hearing you rap, you were very good at it! I'll always love you, my brother, from another mother. I'm sorry you had to leave us all so early. God speed John.
