“ *My Dearest Grandpa,*

It's been almost 8 months since you've left us. We miss you GREATLY! I wish that I could turn back time and make things right again. I only hope that you knew right up until the end how much I loved you and how much you were loved by so many others. I am resting in God's care and trusting that you are with Him. I know that you knew the way and believed. I am thankful for that.

I wish you were here. I am at your house alone right now and there are over 50 geese out on the lake. It's beautiful!

I am not sure why I am writing this to you now? I just wanted to tell you how much I miss you.

With much love and forgiveness,

Your Granddaughter Always

“ *John and Tina were always such an inspiration to us. They lived their lives in such a way that truly God's love shown through. When we were living in Allegan we witnessed their faithful attendance to the church services, the prayer meetings, the potlucks, and just about everything the church sponsored. Driving the greatest distance of almost anyone else attending, they were still faithful. John will truly be missed by many.###imported-begin##Kathy & Alan Brouard###imported-end##*

“ We moved from 29th Street over 15 years ago and I haven't done ceramics in over 25 years but I still remember John and his thoughtfulness in offering me a ride. He and Ernestine did ceramics in Alamo at the same place I went. I don't remember why I needed it but they offered me a ride. I remember John's deep voice. I remember wondering how he could work ceramics with his swollen joints.

When I was looking for a dog John told me that his daughter had a litter of pups to get rid of. That is how I found my very first dog.

I am sure that John was unaware of how many lives he touched. But I remember him with fondness. My condolences to the family.
