“ Peg and family,
I do know what you are all going through. I've been there and it hurts. I can tell you it gets better with time. Just keep your faith in God and know that pa is in a better place. I loved him very much, I always will. He was a very special man with a lot of love for his family. God Bless You All. I love you.##imported-begin##Kathy Wilson (Penn/Hammann)##imported-end##

“ Grandpa,
I cannot find the words to tell you how I feel
God only knows how long, it will take to heal
You are the best man, that will never change
Without you here, things will never be the same
You made me whole, taught me things,
But your time has come, now spread your wings
The advice you gave me, the wisdom you shared
Even your smile, let me know that you cared
Gramp I will miss you, forever and ever
I just keep in mind, one day we'll be together
But until that day, many tears I'll cry
Until that day you're forever "My Guy"

“ I love my Grandpa Hammann. I remember one time that the whole family was playing bingo in the dining room and he was coming in from the family room with his power chair going way too fast which was probably like 3 mph, and he ran into the table and the bingo chips flew everywhere, and I'm always going to remember fun times like that not the bad!
