“ It's been a long time since I saw the Carter family, so you may not remember me. I'm Kim Roe Kester's cousin, and I knew all of you back in the late 70's. I want to send my deepest condolences on Johnny's passing, he was a sweet soul who could always make me laugh and I'll always remember him with a smile. My prayers are with all of you..
Love, Sheila###imported-begin###Sheila Roe Heiser###imported-end##

“ I am so saddened to hear of Johnny's death. It is like loosing my brother, we all were so close at one time, I'll always remember Johnny's smile and his twinkling blue eyes, and of course the Mustang that we all spent many happy hours in. Rest in Peace my brother, and please tell Mom, Dad and Debbie that I think of them often to. I love you, and this isn't good bye, but I'll see you again sometime. I'll try to watch over Loretta and Gerald for you, and know that they will be watching over your boys.
Love always,
Kim###imported-begin###Kim###imported-end##
