“ You stepped up when I needed you most, always and without needing to be asked. You were a Mother-figure, a friend, Mimi to the girls, so much more than just an Aunt. Whenever I missed my Mom, I would call you. I knew that you would laugh with me or cry with me, wherever the memories took us. How such a big heart fit into one woman, I'll never know. I'll miss you terribly..I'll see you later.###imported-begin###Shawna Browning###imported-end##
