“ Joe is my dad in every sense of the word that matters. He was the best dad I could have ever asked for. The fact that such a loving, generous, smart, funny, strong and loyal man chose me and my brother to be his children makes my heart full. He didn't have to be our dad, he had no obligation to us, yet he chose us. We are truly blessed by God to have had him in our lives. I don't know how life will move forward without my daddy but I will try my best to live a life that he would be proud of and always remember the values he instilled in us. I love you, dad. Always and forever. Rest in heaven and watch over us.

He was a good man and worked hard for his family. He made sure everyone had what they needed and would go out of his way for all of us. He did try hard to instill us with manners, respect, a good work ethic, and loved us all while doing it. He said it perfectly himself, he was a part of this family and we were all thankful and blessed to have had him in our lives. He was a dad to all of us in so many ways. He will be truly missed and loved forever!

My sincere condolences to the family. Joe was a wonderful person. He helped me many years ago when my husband died suddenly. He spent the day taking me where I needed to go to make arrangements. He was a tower of strength for me. I will always be thankful for Joe by my side that day. He will be greatly missed.
