“ Carla,
We are so sorry, but relieved at the same time to hear that Joe has passed on. Even though Vin and Joe did not entertain one another's company lately, Vince and I have always considered you both part of our close friends. Years can go by but the closeness and friendship was still fresh and exciting.

*Carla,
Just know that Vince and I are here, supporting you in prayer from a distance, but still here. We will be by one day soon.*

Our love and prayers go to you and Alex.

“ *Dear Carla, Mom, and family,*

*I'm home now. I miss all of you. I miss Joe so much. Even though I only got to see Joe about once a year I always knew he was in his sweet, warm home. Now it will be a while before I can see him and laugh with him. May God bless all of you. May you have comfort knowing Joey can be happy and pain free. My love always.

“ Miss-you Joe, sorry for your loss Carla and kids. I was thinking about Joe this weekend while out driving in the CA sticks on a two track. Joey always seemed to know these kinda roads. He is the first friend I ever brought home, we were in 6th grade together and we had lots of fun then and again and again over the years. My last time back to SH was in 2005 just after our friend Ray died, and enjoyed visiting Joe and Carla. I'm very lucky to have had such a good friend, God-bless Joe.

Love,
