“ *The service was lovely and I wish you all comfort and peace as you remember her. It's at this time of year I think of her most - when my grape hyacinths bloom. It was more than 30 years ago that she gave me my first clump, in an ice cream bucket, I think. Now, I have thousands! She will be thought of often.*

“Joyce was a wonderful woman. I was one of her caregivers at the Lodge. Had so much fun with her getting her dressed and ready for the day. Loved her smile her laughter everything about her. This totally broke my heart. She was my favorite. She will never be forgotten. Prayers and thoughts to her family.
