“ For all the times we gathered on Monroe St at Dutch and Erla’s, for getting to have wonderful conversations in the kitchen sharing life, being able to spend time in Bangor for Ricky’s wedding, having Judy here in Buffalo when her Mom lived with us - I am so thankful. Her love for her family is so evident and the legacy she leaves in all your hearts is something to carry on for generations to come. May God surround you with his precious love and peace.

“ *Many years ago, when my cousins and I lived in the same town, and a very close knit Family, my cousin “Richard” found the young woman of his Dreams. We met her, and immediately saw her outside beauty, as we got to know her better, we found her amazing inner beauty.*

You chose well Richard, grieve as long as you need to. There will come a day when you can smile when you think of her.

My deepest Sympathy to you Richard, and your Family.

God Bless, Patty. 🙏
