

Judith Weeks Hover

July 5, 1939 - November 15, 2022

Judith Weeks Hover, 83, passed at home in Bangor, MI on November 16, 2022. She was born on July 5th, 1939 in Illinois.

She attended Michigan State where she soon met William Hover. The two were married for a wonderful 63 years and had two daughters, Shelly and Stacey.

Judy was diagnosed with MS in her 30's yet had a passion for sewing, knitting, playing handbells and bridge with friends, and could always be found with a glass of iced tea in her hand. Judy was a very talented woman and sewed her daughters' wedding dresses, many costumes, blankets, and clothes over the years. Despite challenging health issues Judy rarely missed her granddaughters' sports games and can be remembered as a supportive and active member in the Bangor community.

She is survived by her husband Bill Hover, Steve and Shelly (Hover) and James Buckman, Dave and Stacey (Hover) Garvison, David and Kalie (Garvison) and Roman Belanger, and Lars and Rae (Garvison) Lofgren. A memorial service will be announced at a later date.

“ Judy was a good friend and she will be greatly missed. We spent a lot of time with Bill and Judy doing fun things like snowmobiling and just spending time with them.

“ One of my fondest memories is the summer I worked for Bill through the MSU program. He always invited me to lunch at their house. Judy was so welcoming, she made me feel like family. I think of Bill & Judy often, and am very sorry to learn of her passing. RIP. Rob Long

“ I have many fond memories of times spent together with Judy, Bill, Shelly, and Stacey while growing up in Bangor. Judy always seemed to have such a positive attitude, a smile on her face, and she loved to laugh as others have pointed out here. Plus she always had kind things to say.

My thoughts and prayers are with Bill, Shelly & Steve, Stacey & Dave, and all of the other family members. My condolences on your loss.

“ *Bill and family....She fought a long hard fight and is now at peace !! I remember her as being the person who won the apple pie contest the only year I ever joined in.....then I thought why, not, she and her family grew apples...what chance did I have?....But Bill, my thoughts are with you and your family... “ *The Hovers were a deeply-loved part of our family in Bangor. We loved spending time with Mrs. Hover in particular, as her kindness never failed to make us feel special and important. She had a wonderful, lively sense of humor and was unfailingly gracious. Her special sparkle will be missed always. Prayers and love to Bill, Shelly and Stacy. This is a tough time of year to lose someone, and especially difficult when that someone is as amazing and resilient as Judy Hover.*

“ *We were very little when we spent most holidays at Uncle Bills' and Aunt Judys' house. I believe she had a great sense of humor, as she was always laughing from what I remember. The couple of few times I was able to talk alone with her gave me the impression that she was very understanding, but spoke the truth, not just telling you what you want to hear. I only wish I was able to spend more time with her as I grew older.*
