“ To Judy's Family and Friends:

I will always remember Judy as one of the special classmates of 1965 and a special friend. One that I could always talk with after class (and sometimes whisper with in class). I'm sorry we lost touch after that but she will remain in my heart and I will miss her.

“ We were so sorry to hear of your loss. Judy was our son's kindergarden teacher and I worked in her classroom during that year. I truly enjoyed working and knowing her. She was a wonderful teacher and guide. I know that we haven't been to square dancing in a long time but we wanted to wish you all condolences at this time and know that we have never forgotten any of you. God bless you and yours

“ Heather & family-

You don't know me but I worked in Paw Paw and had lunch with Judy everyday for two years. I visited with her last Christmas season when I was back in MI. She was an amazing lady and I truly enjoyed talking with her and hearing her stories. She really helped me "keep my head up" during my first two years of teaching and she always talked with so much love about Heather. I'm so sorry for your loss. I take comfort in knowing that she is at peace and in a better place now and I hope you can too.

“ I am so sorry to hear about Judys passing. I never knew she was sick. Oh I remember the days when we were all growing up. How whenever Joyce would call Judy and Rusty home my sister Judy and I would come running too. I want you to know my prayers are with you all, and I will be thinking of you at this sad time.
