“ Uncle JC will be fondly remembered and sadly missed by all who knew him..He was always loving and kind to all..I remember him dancing the jitterbug with my mom when I was a little girl at the family parties..for being such a big guy he could glide across the floor like he was on air..I am thankful for Mable who made him happy these last 20+ years..I know his girls (all of them) will miss him dearly and treasure all the fun times they had with him..especially playing horse shoes..Rest in Peace now and go with God..love ya###imported-begin##Sheila Caulder##imported-end##

“ *Dona, June & Michelle - I was so saddened when I learned that Dad left us earlier this week. Dona, I am so glad that you and Dad stopped over at June's house a few weeks ago while I was there - I hadn't seen him in so long, I got the opportunity to tell him that I loved him. I can still hear him and Mom cheering us on at all of our horse shows, I don't think they ever missed a one! They both treated me as if I was just another one of their daughters - thank you all so much for sharing them with me. I will forever have nothing but fond memories of them - may they both rest in peace. Love You - Always & Forever!*
