“ Aunt Star, I know Kandi was everything you to but you have to move on and know that she is with you in everything you do and everything you want. I know it hurts but you are going to have to move on. Don't let anyone tell you any different. There are going to be people that are going to try to blame you and even everyone else for what she did but don't listen to them it is no ones fault. I want you to listen to this country song the name is "How do You get that Lonley?" It might help. Kandi was an insperation to several people. I love you and hope everything gets better.##imported-begin##Kristina Edwards##imported-end##

“ Star, We just wanted you to know how much we love you and are praying for you. There is no doubt in my mind the the Lord came and carried Kandie home to be with him. She will be waiting on us when it is our turn to go. She is safe and among friends and family. We will all miss her but one day we shall all be together again. I know that God will help you through this if you will let him. Remember, we love you and are always here for you.
