“ Dear Gerry, Karl was a friendly neighbor to my sister and a good person. I will always remember his (and your) kindness when, upon breaking my wrist, you brought me flowers. I am so sorry for your loss. Meg Scarlet

“ Gerry, I felt so bad to hear about Karl. You and he have been such wonderful neighbors. He always offered to help me, should I need anything. And he always spoke so highly of you. Sending my sympathy to you at this time, Mary Anne Scarlet.

“ What a great guy, customer and above all. My friend. Karl was strict in his ways. But willing to accept. Appreciated family and adored his loving wife. He also knew how to ditch a van in our " not the driveway Karl" ending with my tow strap, alot of laughter and an Oops with a hug and smile.. Lol Harmless and caring, thoughtful and sharing. That about sums it up. Karl was real... Gonna miss you buddy. Hugs and love sent to his family.
