“ Kathy's family, I have read of your mother in the Kalamazoo Gazette. What caught my eye was her age. It's a sad day for families when someone so young is gone. So sorry for your loss. Recently I have been talking with folks that have lost a loved one to death. Many mention that they know what religions teach about death and the future, but not what the Bible says. I have read and shared with many, two booklets: *What Happens to Us When We Die?* and *When Someone You Love Dies...* The booklets are based solely on the Bible, and the scriptures can be found in any Bible and have comforted many. Some have lingering questions that are answered. The comfort that only Our Creator can give, help folks have a calm heart. If anyone would like one or both of the booklets, at no cost, contact me at my e-mail address: [catanswersu@gmail.com](mailto:catanswersu@gmail.com). I send my sympathy, Cathy Taylor
