“ The first Sunday we attended horseshoe bible church, Ken sang in a quarter. The song ...it is well with my soul. And I believe it was! What a voice he had ..when he had something to say, or laughed you knew it! Ken and his wife were great about reaching out to others especially us newbies. Ken loved music, and knew many christian groups and singers, and enjoyed attending many of their concerts. Ken has been a sincere christian man, and an active member in the church. You can trust he has joined that heavenly choir, around the throne of christ Ken will be missed here. Our sympathies and prayers are with Stella and the family.
