“ Definitely miss my friend Kenney. I tried searching for him on myspace, facebook etc, reconnecting with Tracy, only to learn that my friend had passed through the gates of heaven in 2010. Had not seen him in quite sometime, we use to hang out all the time prior to my graduation and enlistment into the Navy (June 1989). Found his obituary today, his Mom (Connie) has joined him, Harry, and Bruce.

“ This is what I think Kenney would say to Amanda & Tracy and everyone else to ease your pain:

I did not leave you

I am the gentle rain that you feel on your parched skin; I am the song of the singing pines you hear; I am the fragrance of the honeysuckle you smell on the wind; I am the soft breeze that caresses your cheeks; I am the warm rays of the sun that takes away your chill; Hear me, Feel me, Smell me in the rain, the sun, and the wind;

I am in all these things; Do not grieve for me or weep, I did not leave you.###imported-begin###Connie Hicks###imported-end###

“ It's a hot summer day and Kim and I are at my Aunt Connie and Uncle Harry's visiting..all of us kids are laughing and Kenney turns on the radio, smiling and just being Kenney. Cheap Trick comes on the radio with: "I want you to want me" and Kenney starts shaking his head and doing the air guitar. This is one of my favorite memories of one of my favorite cousins and now everytime I hear that song I cry. I just wish I could have seen him again. The family is in my prayers.##imported-begin##amy austin##imported-end##

“ Kenny I saw this in the paper and couldn't believe what I was seeing. And I instantly thought of memories from long ago. I don't remember the last time that I actually saw you it had to be 10 or 15 years ago maybe a little longer than that but it was a time in my life that will never be forgotten.

Tracey if you see this get a hold of me if you would like to, I would love to catch up I am so sorry about Kenney and I didn't see this soon enough to make the service. Amy###imported-begin###Amy Fuller (Ketchum)###imported-end##
