“ *My oh my...what a long road it's been. That momma was something, huh? Today, though heartbreaking, was perfect. Mom would have loved it. Thank you to everyone who was there for mom and for us. And to those who weren't able to make it, thank you for your thoughts. She sure was a special lady.*

“ Dear ones, we were shocked and heartbroken to hear about Kim. She was always so sweet, and such a great person, we're richer for having known her.
Larry is at a loss for words right now.
Don't know the circumstances, but she was taken way too young. Marcy, Ryan, Jennah, our thoughts are with you, as they are for the Isom family and all who were lucky Enough by chance or choice to know Kim.
My first encounter with Kim was in 9th grade.
We were Rebels smoking n the girls' room...the remaining, late-to-class two out of a room full. When the bathroom door opened, we suspected it was not good.somehow, even tho we both threw our cigs into the facilities, some who, that Kim just vanished.
Never got busted. She was smarter than me!
Larry's known her since 1970.
Many good memories at Mark's yard parties....
Yes, she will be missed
So sorry we couldn't make it. We're dealing with a terminal relative that cannot be left.
Our love to all. Hope you all find peace soon.
Always,
Wendi and Larry Moret.
