“ I’m sorry to hear of this. I came across this today and I worked on the pipeline in nils mi with Kim. I didn’t even know that she was sick or that she was gone I’ve been reaching out to her on Facebook for the past couple of years trying to get her to talk to me and wondering why she never would write answer me

“ We gathered today to celebrate her life,.. I was to overwhelmed to get up and say anything about her.  
To me Kim was such a blessing to everyone that didn't try to hurt anyone! She was like a daughter to me that I shared with her Mom Marian for 39 years!!  
I got to share quite a lot in their lives, that makes me blessed.  
Kim would do anything for you, she was a fantastic daughter, mother and Gramma. Not to forget all her friends and family!  
So people, next time you see a brilliant star, rainbow..  
Know Kim's watching us!  
Beautiful Angel, miss you 💕

“ Kim, you are God's new Angel...for us the ones left without you, have to know that you're the best daughter, mother, and grandma....and dear friends. I've known you since the late seventies. That's when I became friends with your beautiful Mom Marian LeVine. You became like a daughter to me and I'm missing you something fierce...I'm still numb, hugs to your family members. People, when you haven't seen a loved one and they want to come and visit, do it! Don't wait..  
Kim and I ran out of time...because I'm a hermit...  
You were truly a blessing and I thank God for the time we did have together.  
Many good times...💜💜💜💜😭😭😭😭
