“ I believe that each and everyone of us are put on this earth for a purpose. No matter how short or how long that may be. We love and learn something from each and everyone....Kyler touched so many of us with his warmth, love and kindness. Rather his purpose was just to share his kind words and love or his tragic ending, he taught us all. It is not for us to question why the Lord has chosen to take Kyler from us at such a young age, it is for us to understand that the Lord felt Kyler's purpose on this earth was complete and it was the Lord whom called Kyler home....

*I will love and keep Kyler and our memories in my heart forever.*

“ I am shocked and saddened to hear about your terrible loss.

So please know that we are hurting with you. You are very much in our thoughts and prayers! Please let me know if there is anything we can do for you.

If tears could build a stairway,  
And memories a lane,  
I'd walk right up to Heaven  
And bring him home to you again.##imported-begin##Jennifer

“ My sweet wonderful grandson, I will cherish last weekend you spent at my house to go to the Harvest Festival. I still see you with your sunglasses and bandana on your head and that big smile going out the door, saying by grandma. I remember taking you to Bible School where you got saved and ask Jesus into your heart. You were so happy and couldn't wait to get home and tell your mom. I cannot understand why such a happy smiling wonderful young man's life ended this way. I will miss you always. I love you Kyler.

“*Kyler was my grandson, and a very special person. I am very proud of him, he has accepted Jesus Christ as his savior, and I know I will see him again in Heaven. One of the greatest gifts that can bestowed upon any child is the plan of salvation. If I have only one thing I can contribute to my children and grandchildrens lives is to show them the path of salvation so I can know in my heart they are protected thru all eternity. “ *No rhyme or reason  
All without purpose  
Until the end of time the question will linger  
Why?*

*No chance for explanation  
Justification falls short  
Beyond the realm of thought  
Why?*

*Yesterday was fleeting  
Tomorrow has not yet arrived  
Today could have been sunny  
Why?*

*Love remains unaccepted  
Truth is lost in the shadows  
Filled with sorrow  
Why?*

*Tears cannot wash this  
Screams fill the night  
Pain has replaced breath  
Why?*

*Memories of laughter  
Not to be again  
Memories of life now brought to an end  
Why?*

*The question will remain until time is done  
Of why love was not enough to make your sweet heart strong  
A face kept in a memory, ashes in a jar  
Kyler know I love you, you are forever in my heart*
